

DMICE Collaboration with OHSU: School of Medicine and Beyond

William R. Hersh, MD, Kathryn I. Pyle, AMLS, MA

Department of Medical Informatics and Clinical Epidemiology, School of Medicine, Oregon Health & Science University

Grant Proposals in Collaboration with Other Departments and Programs Since 2012

Public Health	18
Family Medicine	9
OHSU Library	9
General Internal Medicine and Geriatrics	8
Emergency Medicine	4
Center for Spoken Language Understanding	3
Biomedical Engineering	2
Cardiology	2
Center for Health Systems Effectiveness	2
Infectious Disease	2
Knight Cancer Institute	2
Neurology	2
Portland VA Medical Center	2
Behavioral Neuroscience	1
Biochemistry and Molecular Biology	1
Gastroenterology	1
Hematology/Oncology	1
Molecular and Medical Genetics	1
Ophthalmology	1
Oregon Inst for Occupational Health Sciences	1
Oregon Practice-Based Research Network	1
Pediatrics	1
Psychology	1
Pulmonary/Critical Care	1
School of Nursing	1
School of Pharmacy	1
Surgery	1
Vaccine and Gene Therapy	1

Teaching and Leadership in Undergraduate and Graduate Medical Education

Paul Gorman	Chair of Curriculum Committee; Thread Director – EBM, Epidemiology, and Informatics
Heidi Nelson	Director of Scholarly Projects
Bill Hersh	Co-Investigator of AMA grant
Shannon McWeeney	MD/PhD Committee OHSU Exacloud Steering Committee
Jeff Gold	Co-Director of Simulation Center
Vishnu Mohan	Chair of CME Committee
Cynthia Morris	Director, Human Investigations Program and Master of Clinical Research

Other Teaching/Education Outside DMICE

Bill Hersh	CreativeIDEAS committee member Course Director, HIP 520, Introduction to Biomedical Informatics
Vishnu Mohan	Course Director, ISQA 511, Managerial Decision-Making, Healthcare MBA Program
Karen Eden	Course Director, ISQA 551, Information Technology for Healthcare, Healthcare MBA Program
Marian McDonagh	Lecturer in Pharmacoeconomics and Drug Information Science, School of Pharmacy Course Director, HIP 527 Systematic Reviews
Mark Helfand	Course Co-Director, HIP 535 Patient- Centered Outcomes and Comparative Effectiveness Research Principles

Major Service Activities

Knight Cardiovascular Institute (KCVI) Aaron Cohen, Nicole Weiskopf	Development and implementation of data analytics
Knight Cancer Institute (KCI) Aaron Cohen, Nicole Weiskopf	Implementation of natural language processing (NLP) capability
Oregon Clinical and Translational Research Institute (OCTRI) Cindy Morris, Rob Schuff Shannon McWeeney	Director, OCTRI Education Program Co-Directors, OCTRI Biomedical Informatics Program

Dean's Office Leadership Roles

Paul Gorman	Assistant Dean for Rural Medical Education
Cindy Morris	Assistant Dean for Admissions
Tom Yackel	Associate Dean for Clinical Practice

Major Committee Assignments

Karen Eden	Women in Academic Medicine (former chair) Graduate Program Steering Committee
Roger Chou	Research Strategy Advisory Council (RASC) – elected

Departments and Programs Served Through Clinical Informatics Fellowship Projects Since 2015

Clinical Informatics Department (Hospital)	3
Interventional Radiology	3
Clinical research informatics (OCTRI)	2
General Internal Medicine and Geriatrics	2
Organizational effectiveness	2
Clinical Reporting	1
Graduate Medical Education	1
ITG	1
OPEX	1
Orthopedics / Neurosurgery	1
Pediatric Neurology	1
